

Town Hall Meeting 11/14

2017-11-04 08:19:32 by SWhitman

Brothers and Sisters,

We will soon be receiving ballots for voting on the Tentative National Agreement, negotiated by the CBG. There has been a lot of confusing information circulated, intentional or otherwise.

In response, BLET National President, Dennis Pierce has offered to participate in a Town Hall style meeting here in Tucson to answer any questions or concerns that members may have. This will be an interactive event, so please come prepared with questions in hand. This forum will be the perfect opportunity to have those questions or concerns **answered directly** prior to casting your vote on the CBG Tentative Agreement. **DO NOT** miss your opportunity to get the facts about this agreement.

Lunch will be served immediately following the meeting for those in attendance. For those travelling from out of town, a room rate of \$89.00 has been secured although the number of rooms available are limited. Please mention "BLET group" to receive this reduced rate. The meeting information is provided below, and a flyer is attached to this as well. Thank you for your time and attention in this matter.
